

Espana - Z5004-RI

1 Light Small Wall Mount

Capturing every nuance of elegant Spanish wrought iron, Espana seems spirited away from a castle in Spain. But that's where the similarity ends. The woven frame with its delicate scrollwork is rugged cast aluminum. The rustic iron finish is virtually weatherproof, and the exquisitely beautiful hammered champagne glass is tempered to resist extreme heat and cold. Old World artistry is now state of the art, in Espana.

- Die-Cast/sand-cast aluminum components
- Finish is treated with UV guard

Specs

Mounting Location	Wet
Bulb Wattage	60
Bulb Type	Incandescent
Bulb Size	A-Type
Bulbs	1
Bulb Base	Medium
Carton Size (CU FT)	0.95
Finish	Rustic Iron

Dimensions

Height (in.)	14
Width (in.)	7
