91122-147: Conquest Directional Down Light, 24v

Specification Images:

**Collections:** Imperial (Primary)  
Conquest

Multi-purpose, up-light and surface-mounted directional fixtures offer style and function without compromise. Its sleek straight lines and dual gasket shroud feature make the Intrepid an essential fixture when lighting palms, trees, columns or other tall structures. Featuring an O-ring supported shroud this down-light fixture uses the Universal Mounting Bracket to make installation fast and easy.

Brass Construction

Pre-Greased Beryllium Copper Socket

360 Degree Rotation Shroud

Adjustable Cast Brass Knuckle

Anti-Moisture Migration Connections

Brass Mounting Bracket

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

UPC #:785652146701

Finish: Weathered Brass (147)

**Dimensions:**

Diameter: 2 1/8"

Wire: 300" (color/Brown)

Height: 6 13/32"
