23" Extension Stem in Brushed Stainless Steel Finish

800RLP24S

For greater flexibility and design options - for higher ceilings or to dramatically group fixtures with varying heights - Extension stems easily attach to directional or pendant lighting fixtures for a more customized look.

Includes supply wire, gauge & length.

Use with standoff powerfeed. Replaces existing stems of powerfeeds, supports, directional fixtures and surface transformers to increase hanging length. Cannot be used with 95350-98 recessed adapter.

**UPC #:**785652953224

**Finish:** Brushed Stainless (98)
